**SUBMISSION OF REFERENCES AFTER ISSUE FEE PAID**

Sir:

The attached reference is an office action issued by the UK Patent Office on 9/29/06 (according to foreign counsel), although it was not received by our office until much later than that (in December).

Thus, each item of information contained in the attached information disclosure statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this information disclosure statement.

The Applicant believes the attached references are not material to patentability of the allowed claims. Since the period specified in 1.97 has passed, the Applicant submits these references for placement in the file. Nevertheless, if the Examiner can still acknowledge these references at this point in time, it would be appreciated.

Respectfully submitted,
